# Ferndale Home Learning Lockdown News

(written, drawn and painted by the children)

**June 2020** **Appreciation**

Dear parents and carers,

Welcome to our second lockdown newsletter inspired by the value appreciation. Since our last newsletter there have been some changes at Ferndale, including children from our nursery, foundation stage, year 1 and year 6, returning to school. They have joined our key worker children who have been with us since the start of lockdown. Alongside all these children, we have all our fabulous children working from home and whether you are at home or at school, we are enjoying the chance to appreciate the wonderful work you are doing.

We hope that you are enjoying learning from the videos that your teachers are making for maths and English. Alongside the daily lessons in these subjects, the weekly year group letter gives you learning opportunities in other curriculum areas.

Mrs Prevost's challenge last week was for the children to send in work about appreciation for this month's newsletter – for the children, by the children, about the children.

Take care, stay safe and keep smiling

From all the staff at Ferndale

# SAYING THANK YOU TO OUR FAMILIES

Summer made this lovely Mickey Mouse pop-pom to say thank you to her mum for organizing a lockdown birthday party for her. Summer had an ice-cream van and friends (all socially distancing) round to eat cake to help her celebrate. Well done Summer for showing your mum how much you appreciate her.
