WALT: Create a poster on the different rock types

Today we would like you to create a poster explaining the different rock types.

We would like you to include on your poster:

- What are the 3 types of rocks?
- How are the types of rocks different?
- Can you give examples for each rock type?
- Can you describe what each rock type is used for?
- Labelled diagrams
- A title
- Scientific facts on the 3 types of rocks

You can research the different types of rocks and include key scientific vocabulary on your poster. use facts and pictures and also make sure your poster is eye-catching!
