

Dear Madagascar class,

I am so looking forward to meeting you all soon and I am very excited about next year. It is going to be a super fun-filled, action packed adventure of a year and Miss Curnock and I are so lucky to be sharing it with you.

For those of you who have not met me, my name is Miss Jones. I love to do things like maths, drawing, and most of all, building models out of anything I can find! I hope that we will be able to do lots of those things in class this year too. For now though, let me tell you a little bit more about what's in store for Year 4:

First of all, we have a fantastic class name: Madagascar! We will start the year by learning all about this wonderful country, focusing especially on Madagascar's rainforest and its creatures, like the ring-tailed lemur to our left!

Then, we will kick off the year with our topic - 'What on Earth?!' . This is where we will learn all about the fantastic world around us.

After Christmas, we will be studying the Roman invasion of Britain, which is a fantastic topic, filled with lots of fun history lessons and more art projects too.

Finally, our last topic is my ABSOLUTE favourite - 'Raiders and traders', which is where we will learn about the vicious Vikings and smashing Saxons. Be prepared for gore, for excitement and lots of learning too!

Have a lovely summer and I'll see you all soon. I cannot wait!

Miss Jones ☺

Madagascar teacher

Hi Madagascar,

My name is Miss Curnock and I am super excited to be your TA next year. Year 4 is a fantastic year because we get to learn about some really interesting topics and take part in lots of creative projects too.

My favourite subjects in school are maths and music, which I'm really looking forward to doing more of next year.

I look forward to meeting you all soon and have a fantastic summer if I don't see you before!

Miss Curnock ☺

Madagascar TA
