

# ANDES

Hello new class and welcome to Andes and year 5 with Mr Truman and Mrs Uzzell. In year 5, we will be kicking off the year with our topic of 'Intergalactic invaders'. We will take a closer look at our solar system and beyond. We will look at the Earth, Sun and moon and their relationship with each other. We will look at space travel and the international space station. We will also enter the world of Superheroes!!

## Mr Truman

Hello everyone, I am Mr Truman and I will be your teacher in year 5. I love to teach Maths, English, Science, Computing but my favourite lesson to teach is Art. We will be learning loads and having lots of fun next year and I can't wait for us to get going in September. Outside school, I love listening to music and I also collect music. My favourite music genres are electronic music and rap music but I do like and collect and listen to all different types of music. I also love going to music festivals. You will get hear lots of music in class next year. I also enjoy running and exercise. I enjoy dog walks with my Jack Russel. I also enjoy drawing whenever I get a chance to do so.

See you all soon.

Mr T.

## Mrs Uzzell

A big hello to all the children joining Andes class in September. I am Mrs Uzzell and I will be your teaching assistant in year 5. My favourite subject is maths and I'm looking forward to a new topic of 'Tudors' to explore with you. I love to read so I would like to know about any books that you've read that you would like to recommend to the other children in class – you may even find me reading them too! Outside of school, I enjoy walking my two Springer Spaniels and my daughter's Jack Russell 'Buddy'. I enjoy long walks in the countryside and plenty of exercise, usually before school. I look forward to getting to know you all, having fun and supporting you all in September.

Mrs Uzzell.
