

Hello Uffington Class,

How has your week been? Where has the sunshine gone? I hope you have managed to get outside for a little bit but avoid the rain!

This week I have been practising my drawing. I've been watching some videos on a Youtube channel called 'Draw So Cute' and as we are learning lots about animals this term, I have drawn an elephant and a giraffe. I also drew a unicorn, what do you think? For one of your tasks this week, maybe you could visit the Youtube channel and see what you can draw.

This week Mrs Upton went to the shops to buy some flowers for her plant pots and hanging basket. It looks like she has had a very busy weekend planting some pansies. Don't they look bright and beautiful?

Miss Chase has been listening to some music this week and practising her catching. She has also been very busy doing an art project for her Dad's birthday. Here is the finished piece. Wow!

This week we have chosen one of our favourite GoNoodles... 'Larger Than Life' (<https://www.youtube.com/watch?v=yozTYHv7PLs>)

We have given you some tasks to try this week, linking to our 'Wet and Wild' topic. Remember, when you have done them you can take pictures and send an email to tell us all about it (head@ferndale.swindon.sch.uk and give the subject 'their class name and their name'), or put the pictures on Tapestry. (If anyone is having any problems with tapestry/logins, please email and I can get it sorted for you!)

Stay safe and keep smiling,

Miss Lanham, Mrs Upton and Miss Chase

W/C 4th May 2020

→ Can you draw or paint your favourite animal and label the different features? E.g legs, wings, eyes.

(Challenge: Can you write a sentence about your favourite animal, using your sounds and remembering to leave a finger space between each word)

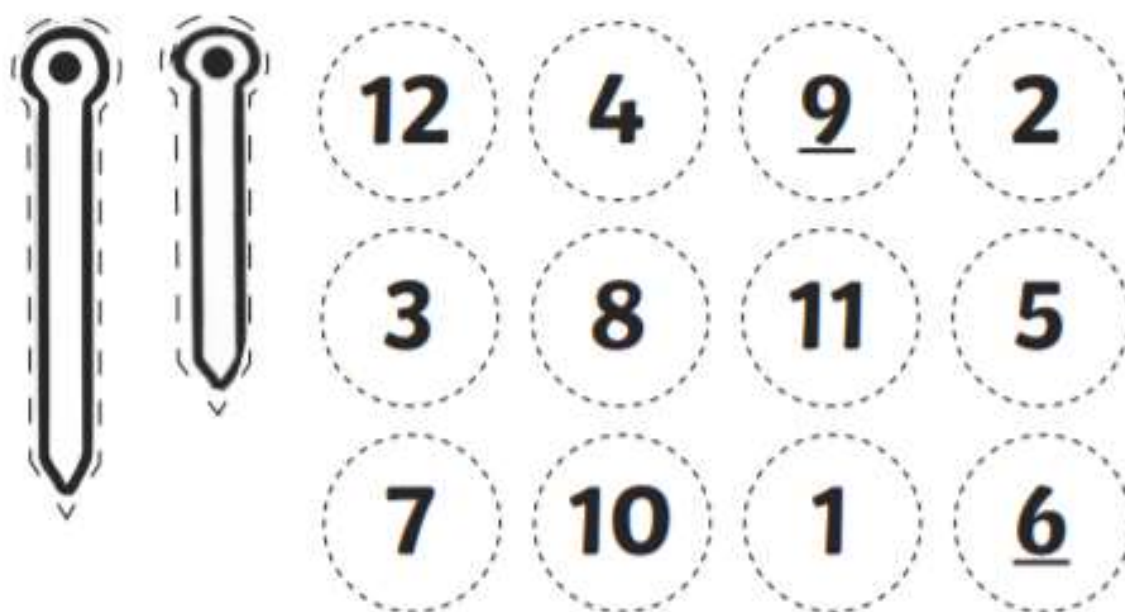

E.G

My favourite animal
My favourite animal is a cat.

→ Can you play 'What's the time Mr. Wolf?' Make sure you carefully count each step. After you play the game, can you find 'o'clock' times on a clock? Where is the big hand? Where is the little hand?

(<https://www.topmarks.co.uk/time/teaching-clock>) Click 'Reset' and then add an hour each time to show where the big hand stays and the little hand moves to.

→ Can you record a video talking about your favourite animal and why you like that animal? What sound does it make?

Clock Face Template

You will need:

- Scissors
- A split pin

Cut out the clock face and the clock hands.

Stick the numbers in the correct place.

Attach your clock hands with a split pin.
