

Hello and welcome to Amazon Class!

When you move to year 5, you will be with Mrs Storey and Miss Francis. We are both really looking forward to getting to know you all, working together and having lots of fun.

When we begin back in September, our starting topic will be 'Intergalactic Invaders'. We will take a tour around the planets in our solar system; discovering what they are like and learning all about the sun and moon. We will also explore what it takes to become an astronaut, find out about space travel and journey to the International Space Station.

A message from Mrs Storey:

Hi everyone. I'm Mrs Storey and I am really looking forward to being your teacher in year 5. We have lots of exciting topics and activities planned for our time together and I can't wait to share these with you. In school, I love to teach Maths, Literacy, Science and History. In my spare time, I enjoy reading, baking, going on walks or bike rides and spending time with my family and friends. I look forward to seeing you all again in September and getting to know you all.

See you all soon 😊

A message from Miss Francis:

Hi, my name is Miss Francis.

I am super excited to meet you all and have a fantastic year!

I have been a teaching assistant in year 5 before, and I'm so excited to do it again with you and Mrs Storey.

In my spare time, I enjoy dancing, listening to music, going on bike rides and cooking. In school, I love Maths, P.E and Art.

I can't wait to get to know you all, and explore all of our new topics.

See you soon 😊

We hope you all have a great summer.

We can't wait to see you all again in September- ready for an exciting, fun-filled year together!

Mrs Storey and Miss Francis 😊
