**Summary of topic:**

**‘Thrill seekers’ takes us on a journey into many unknown experiences, not least many of the children in year 6 will be going on PGL- Osmington Bay! But the fun doesn’t end there, we will be exploring so many ‘firsts’ this term; taking part in our end of year production of ‘Matilda’ will be a real highlight! In addition, there will be the chance to brush up on cycling proficiency by taking part in ‘Bikeability’ sessions and also learn how to be a ‘Junior good citizen’ by meeting with and learning from members of our local neighbourhood policing team, the fire brigade and other local organisations. Our outdoor learning will focus on developing a range of different skills, including pond dipping and carrying out mini-beasts surveys as well as spending time in the forest. This term is jam packed full of thrill-seeking opportunities in the children’s final term before we wave them off to secondary school.**

**“Think left and think right  
and think low and think high.  
Oh, the thinks you can think up  
if only you try!”**

**- Dr. Seuss**
