

13<sup>th</sup> July 2020

Hello Year 2!

We hope that you are all doing okay and that you had a good weekend. Thank you to those of you who shared your learning with us last week, we hope you enjoyed learning about a female pirate and fractions. It has been lovely to see all the work you have been doing at home and we have really appreciated you all taking the time to send it to us too! You have all been doing a brilliant job – so well done and thank you. 😊

This week would have been our last week in which we would be having lots of fun, doing different activities and enjoying some of our last days together. So we are going to have a fun week of learning at home this week. We have some activities that we would like you to complete this week at home.

Here are your fun activities for each day:

### Task 1

#### Postcard

We would like you to write a postcard for your new teacher. Remember to tell them who you are, how old you are, what you like or don't like, your favourite things to do/games/hobbies and your family. Don't forget to draw a picture and sign it with your name!

Please email a photo of your postcard to [head@ferndale.swindon.sch.uk](mailto:head@ferndale.swindon.sch.uk). Please title your email with your class name followed by your name so that Miss Horrobin can forward it onto us.

### Task 2

#### Perfect Teacher

Draw a picture of your perfect teacher for next year. What would they look like, what special features would they have? Can you write some words to show describe what you would like them to be like? What would they enjoyed doing? What would they be very good at doing? Would they have a pet?

### Task 3

#### Dream Playground

Woo hoo! The school has won a million pounds in a competition and you get to choose how it is spent. Draw a picture of your dream playground to show how you have spent it. What equipment would you have? Would you have a sports barn, a swimming pool, an arts pod, a music dome or a treetop reading area? Would you have ball pit or a soft play area? Would you have technology tents? I wonder what special features you will include?

### Task 4

#### Potions

You have achieved so much this year but what are your goals for next year? *What would you like to get better at....reading, spelling, times tables, handwriting, drawing?*

Today we would like you to create a potion that will give you the skill of your choice! Using soft drinks in your home such as apple juice, orange juice, cranberry juice or fizzy drinks such as cola, lemonade, cherryade, make yourself a potion that you can drink!

Make sure you measure out each ingredient and write down how much is needed (so that you can make the potion again if you like it) as well as naming

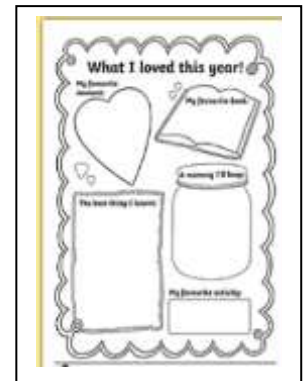

your potion. Does it taste nice or horrible? Drink it up and then next year you will get better at that skill!

### Task 5

#### **Memories**

Make a poster of your favourite memories from year 2 (watch the video on YouTube to remind you of some of the things that we have done this year). Draw and label your favourite bits. Which was your favourite activity? Which was your favourite subject? What was your favourite art project? Which was your favourite dress up day? Which was your favourite outdoor activity? Who were your friends and teachers?

Have a great weekend and keep smiling,

From Mrs Rouse, Miss Modasia, Mrs Hall and Mrs Witherington
