

Hello,

We are really looking forward to welcoming you in September and being part of a team. 😊

### Miss Evans

I am Miss Evans and I will be your teacher in year 3. I thought I would tell you a bit about myself. I have a dog, who I love taking on long walks to different places. I really enjoy baking and my favourite cake to cook (and eat), is a Victoria sponge. Yummy! I also enjoy reading and listening to music.

### Miss Connell

I am Miss Connell and I will be your teaching assistant. I enjoy spending time with my daughter and my family, especially going on holiday or for days out together. I like sewing cross-stitch and I'm currently learning how to use a sewing machine. I'm looking forward to getting to know you all in September.

We have some exciting topics planned in Year 3, our first topic is 'The Stone Age', and here we get to learn lots of interesting facts about how people lived in the Stone Age. We will do lots of descriptive writing and you will take part in lots of exciting art projects, including: cave paintings, drawing with natural materials (including berries) and making natural sculptures in the forest.

We are looking forward to getting to know you all and hearing about your summer holiday.

From,

Miss Evans and Miss Connell 😊
