

Hi Year 5!

This week is going to be slightly different as it would have been our last week in school. On the school YouTube channel, there is a video for each class (Amazon and Andes) to watch from your class teacher. There will not be any maths and literacy videos for this week. Instead, there are some activities below for you to complete. If you would like to share any of them with us, then please send them in to Miss Horrobin (head@ferndale.swindon.sch.uk) with your name and class as the subject.

Here are your activities. We hope you enjoy them 😊

Monday:

Draw yourself as a superhero. What powers do you have? Do you have any weaknesses? What will your superhero name be? What do you do as a superhero?

Tuesday:

Create a fact file about yourself for your new teacher for next year telling them all about you e.g. your hobbies, likes, dislikes, favourite things, your family and pets. Don't forget to draw a picture of yourself. You can present this however you'd like.

Wednesday:

If you could invent a new subject that we should teach at school what would it be and why? Write a paragraph to tell us all about it.

Thursday:

Woo hoo! The school has won a million pounds in a competition and you get to choose how it is spent, draw a picture of school to show how you have spent it. Don't forget to think about the playgrounds and what they might look like or any equipment they might have.

Friday:

Create a comic strip showing your favourite day at school in year 5. Show what happened on the day and how you felt.

We have loved teaching you all during your time in Year 5 and wish you lots of luck for Year 6.

Have a great summer!

Mr Truman, Mrs Storey, Mrs Uzzell and Mrs Murphy ☺
