

Ferndale Primary and Nursery School

Dear Parent/ Guardians,

Friday 3rd July 2020

We are very excited to be able to invite all our Year 6 children back to school on Monday 20th July to give them an official goodbye and send off.

The timings of the day will be 9.10a.m. – 1p.m. To allow easy transition into school and avoid congestions please do not arrive earlier or later than this time. Children will not be able to bring bikes or scooters into school with them on this day.

We will provide all children with a lunch during this time.

We ask that the children enter school using the Year 6 outside classroom doors:

Barrier Reef – via the gate by the side of the forest

Uluru – via the gate by the side of the school office.

Whilst we will make this day as fun as we possibly can, we will still be following government guidelines on social distancing and ask that you support us with this by following social distancing rules as you drop off and collect your child.

We ask that all children wear school uniform (as they have been doing so far) but with shoes that are sensible for running around in.

If the weather is good, we will spend most of the day outside so please send your child with sun-cream, sun hat and water bottle.

If your child has any books at home, which belong to the school, we ask that your child brings them into school with them on this day. Other than that, they do not need to bring in any other items.

To continue following the Government's guidelines we will be splitting each class into bubbles of 15, to help us do this, if you **do want your child to come back to school on their 'goodbye' day please email the school office by Friday 10th July.**

Kind regards

Miss Liz Horrobin
Headteacher
