

Ferndale Primary and Nursery School

Dear Parent/ Guardians,

Wednesday 1st July 2020

We are very excited to be able to invite all children back to say 'goodbye' to their present teacher/s and teaching assistant and 'hello' to their new teacher/s and teaching assistant for September. Please note that due to shielding not all teaching assistants will be present for these sessions.

Key worker children who would have been in on Wednesday 15th and have their transition day on that day need to go with their transition class, unless you inform us otherwise.

Nursery, new starters to school and Year 6 will have a separate letter with their sessions in.

To allow easy transition into school and avoid congestions please note the starting and finishing time for your child's class. Please do not arrive earlier or later than this time. You will be able to queue with your child but will not be able to enter the school building with your child. Please explain this to them so they are prepared.

To make it feel as normal as we possibly can, we ask that the children wear school uniform and suitable shoes for running around in.

The children only need to bring in their lunch box, water bottle and depending on weather, coat or sun hat and sun cream (they must be able to apply the sun cream themselves). If the weather is dry, most activities will take place outside. Please make sure they can open all items in their lunch box by themselves.

If your child is **entitled to free school meals** and you would like a packed lunch provided for your child/ren for that day you **must let the office know by Friday 10th July**. Please note this is not universal free school meals.

To follow the Government's guidelines we will be splitting each class into bubbles of 15, to help us do this, if you **do not** want your child to come back to school on their given day please inform the office **by Friday 10th July**.

Each class will have the following pick and drop off points:

Child's current class	Drop off and pick up point	Side of school to access these points
