

13<sup>th</sup> July 2020

Hello Year 4!

How did your learning go last week? Did you learn lots of things? Thank you to those of you who shared your learning with us. It was lovely to see.

Your goodbye videos for each class are now on you tube. Enjoy looking at some of the fantastic memories of our time together.

This week we have some creative end of the year tasks for you to complete. Don't forget, if you would like your teacher to see your work you will need to email it to Miss Horrobin [head@ferndale.swindon.sch.uk](mailto:head@ferndale.swindon.sch.uk) who will forward it onto us to see. If you have completed it on paper you could always take a photo and attach that to the email.

### Monday Task

Imagine that your class can use a magic portal to go on a school trip anywhere in the world. Where would you go? What would you do and what would you learn from your trip? Make a poster to advertise your trip.

### Tuesday Task

Write a letter to your new teacher telling them about you. You could include information about your family and things that you enjoy doing.

### Wednesday task

The school has won a million pounds in a competition to spend on the playground. Draw a picture to show how you have spent it and write about your design.

### Foundation Task Thursday

Make a word cloud using memories and key words from this year. Try to think of interesting vocabulary. You can draw your own or use a generator using the link below like we did.

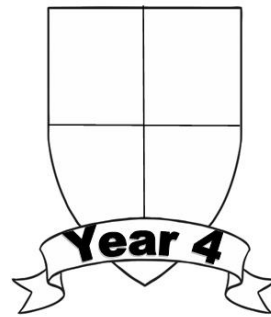

[https://www.abcya.com/games/word\\_clouds](https://www.abcya.com/games/word_clouds)

## Friday Task

Make a celebration shield, showing things you have done this year that you are proud of. These could be achievements of any kind such as learning a particular times table, improving handwriting, trying a new activity or being successful in basketball.

You can design your own shield or print off the copy at the end of the letter.

Take care and keep smiling  
Year 4 Team
