

*Problem Solved!*

# Design and Build a Story Den

Using the template on the school website or a piece of paper.

Design your own story den.

Think about what materials you have at home to use.

Where will you build it?

## Building a Den

You are going to build a den. But where do you start? Your den needs to be in a safe place where you have lots of room. Plan your den before you start making it.

Where will your den be?

---

---

---

---

---

---

---

---

What do you need to build it?

---

---

---

---

---

---

---

---

What will it look like?

# Materials you could use to build your den.

- Blankets
- Duvet
- Pegs
- Chairs
- Table
- Sticks
- Fairy lights
- Cushions/pillows

Once you have designed your den you are ready to start constructing it.

- Think about how are you going to attach it together?
- Where are you going to build it?
- What else can you add to it?
- Can you make changes/improvements.

Now you have built Story Den, invite a family member in to enjoy a story with you.

On Wednesday 3<sup>rd</sup> March we would like you to zoom from your story den.

Enjoy your story den and don't forget to send us pictures of you enjoying your den.
