

Week 5. Wednesday. Phonics.

Can you remember rainbow writing the 'ay' sound?

It is such a great way to practice your sounds, words and handwriting!

You could also use chalk if you have any and smudge the words to give a different effect. Don't worry if you

haven't though, as your rainbow writing will be fantastic.

Try to think back when you wrote the days of the week. Did you write any activities that you had done or were going to do next to them? This is a good exercise for your memory!

Activity.

Rainbow write the days of the week in a list, like mine below.

Monday

Tuesday

Wednesday

Thursday

Friday

Saturday

Sunday

What do you notice at the beginning of each word? That's right, there is a capital letter. Do you know why?

Amazing, days of the week begin with a capital letter!

Can you see the 'ay' digraph in each word? What word is it in? That's right, the word **day**.

Click on this link to play the 'ay' game. (You will need to click on the 'ay' sound at the beginning of the game and it is quite tricky but you will be brilliant).
