

Week 5. Friday. Phonics.

It's Tricky Words time!

Let's have a look at our phase 3 Tricky Words just to refresh our brains before looking at our Phase 4.

Here is Mr Tricky Troll, but he has forgotten his words to trick you! Oh no! Can you remember any of the Tricky words from last week? Have a think.

I think you are right, we were learning these tricky words, little, said, could, were, one, like, what, when, out.

But I expect Mr Troll has more words to trick you with! Let's see his new words today that are in his bag.

There are three new tricky words for you to learn. Look at them, cover them over, remember them and then say them aloud when you uncover them! Practice writing them also. Now try and write all the Tricky Words so far. Here is a reminder:

little, could, said, were, one, like, what, when,  
out, there, have, so.

Cover them over when you have written them and keep practicing, they are Tricky!
