

Thursday 21st January - Maths

Watch the video lesson on Youtube then complete the challenges below:

$25 \times 3 =$

x	20	5
3		

$17 \times 4 =$

x	10	7
4		

$19 \times 5 =$

x	10	9
5		

$21 \times 2 =$

x	20	1
2		

$15 \times 5 =$

x	10	5
5		

Your turn to set the grids up. Use a multiplication square to help if you need to 

22×5

44×6

33×4

52×3

55×3

11×7

How close can you get to 100?
Use each digit card once in the
multiplication.

$$\square \square \times \square =$$
