

FRONTED ADVERBIALS

When?

A few minutes later,

Months later,

Thousands of years ago,

After a short while,

In the blink of an eye,

Later,

Eventually,

Recently,

Early in the morning,

In June,

After dusk,

Where?

Over the mountain,

In the distance,

On the riverside,

Outside the house,

Down the river,

Underneath the bridge,

In the castle,

Around the corner,

Adjacent to the cave,

Far away,

Back in the room,

Under the sea.

How?

Anxiously,

In a flash,

Suddenly,

Shaking like a leaf,

Bravely,

Joyfully,

Unfortunately,

Frantically,

Enthusiastically,

Wildly,

Courageously,

As fast as he could.
