

## Spring 2 Week 2 - Tuesday Phonics.

Each day there is a Phonics video on the Ferndale YouTube channel to help you with your learning.

Our sound today is 'or'.

Can you remember this sound 'or'?

Today's grapheme sounds the same as 'or' but is written differently?

Let's look at some words that have 'aw' digraph saying 'or' in them:

yawn

strawberry

draw

these words have the 'or' sound in them, but they are written in an alternative way.

I know it is tricky to understand so watch the following videos to help you:
