Watch the YouTube video and complete the following activities

Class 4 grew a plant. They measured the height of the plant every week for 6 weeks. The table shows the height of the plant each week.

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
4 cm	7 cm	9 cm	12 cm	14 cm	17 cm

Create a line graph to represent this information.

What scale would you use on the x and y axes?

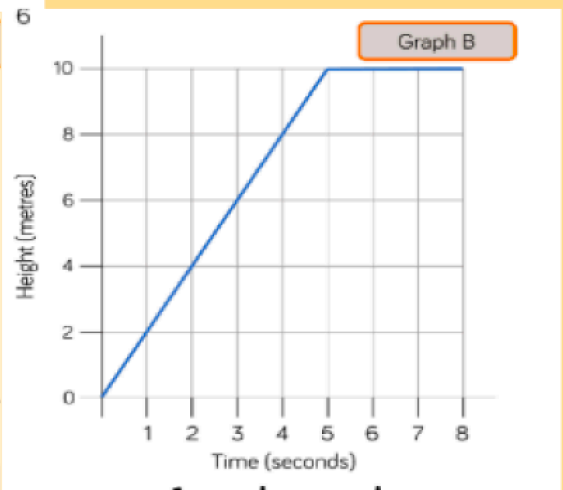

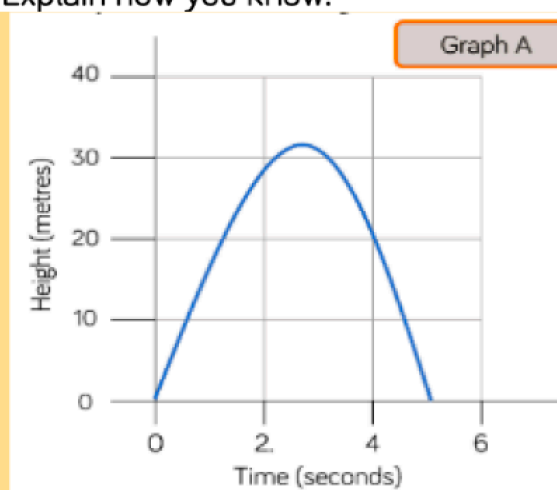

Between which two weeks did the plant reach a height of 10 cm?

Jack launched a toy rocket into the sky. After 5 seconds the rocket fell to the ground.

Which graph shows this?

Explain how you know.

Make up your own story for the other graph.
