

## Spring 2 Week 2- Friday Phonics.

Each day there is a Phonics video on the Ferndale YouTube channel to help you with your learning.

Today we are going to continue with our Tricky Word recognition.

I know you have been working really hard learning your Tricky words over the past weeks, so today I am going to give you some more ideas for games you can play at home to help you practice them. Some of the photographs that were sent in last week were absolutely fabulous.

Another Phase 4 Tricky Words Song

Tricky Word Skittles or Hoopla

Fill some plastic bottles with water, add food colouring if you have some. Then attach a 'Tricky word' to each bottle and then either use a ball to skittle them over or a small hoop to try and throw over the bottle.

## Park Your Car

Make a 'car park' and in each space write a tricky word. When asked a tricky word, park your car in the correct space.

## Tricky Word Treasure Hunt

Find Tricky words that have been hidden around your house/garden on sticky notes. Remember you can only take the word if you can read it correctly.

As I have already said it was just amazing to see some of your games and learning from last week, so please keep sending photographs in to show us what you have been learning and playing at home.
