

Week 3, Tuesday.

Today's sound that we are re-visiting is the digraph, 'au'.

It has two letters that make one sound.

Can you write the digraph?

What words can you remember that use the 'au' sound?

autumn, laundry, pause. August, daughter, haunted.

Is August a season or a month of the year? Did anybody spot the mistake on the first 'au' phonics lesson?

August is a month of the year, not a season- well done!

Can you draw a picture of some **laundry**, hanging on a washing line in the **autumn**? Write a sentence if you can about your picture. Don't forget the capital letters, finger spaces and full stops!
