

Phonics - Tricky Words

Tricky words - words that we cannot sound out. We just have to learn what they look like.

Watch this tricky word song if you like.

Tricky word Troll has come to trick us with some words. He has given us some tricky words to learn that we are not able to sound out. Do you think you can learn them?

Say the word, write the word and then cover it up and see if you can write it without looking. Repeat this for all the words.

Now play a game of tricky word bingo. Draw a grid like the one below and choose 4 of the tricky words you have just learnt. Write one into each box. Ask an adult to call out the tricky words. If you have the word that is called out, cross it off on your grid. When you have crossed all of them off say 'BINGO!'
