

## Spring 2 Week 1 - Tuesday Phonics.

Each day there is a Phonics video on the Ferndale YouTube channel to help you with your learning.

Our sound today is 'i\_e/ie'.

Can you remember this sound 'igh'?

Today's graphemes all sound the same as 'igh' but are written differently?

Many words use these sounds. Let us look at some:

light, night, bike, kite, pie, tie

All these words have the 'igh' sound in them, but they are written in an alternative way.

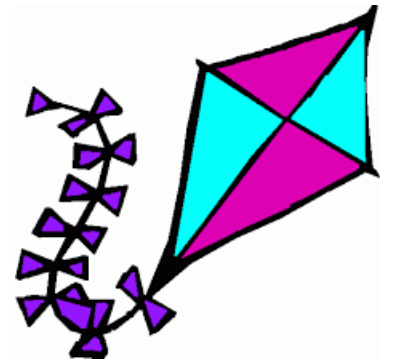

I know it is tricky to understand so watch the following videos to help you:
