

Spring 2 Week 2 - Thursday Phonics.

Each day there is a Phonics video on the Ferndale YouTube channel to help you with your learning.

Our sound today is 'are'.

What type of grapheme is this?

Can you remember this sound 'air'?

Today's grapheme sounds the same as 'air' but is written differently?

Some words with the 'are' sound in:

care scarecrow

These words have the 'air' phoneme in them, but are written in an alternative way. I know it is tricky to understand so watch the following 'Mr Thorne Does Phonics' video to help you:

As Geraldine wasn't in today's video, can you find some objects around your house with today's sound?

Activity 1

Look at the picture and label it using the correct spelling:

are or air

Activity 2

Now draw two of the objects that you have found and label them correctly.
