

Year 1 Week 7 Art.

It is design time! You are designing a new book cover for the Year 1 Bookflix display board!

Your book cover can be your favourite book or your own story BUT, this is your chance to draw the cover how you would like to see it. Do not copy the original book cover.

Draw a draft copy first. This is a sketch of what you would like the cover to look like and you can keep changing it until you are happy.

You can use pens or pencils or paint if you have any.

This is your time to be creative and enjoy art and design.

Don't forget to include the book title and author!

Have a great time, artists.
