

## Day 3 Wednesday 20th January 2021

### Starter video

Start your day with a YouTube welcome from one of the Year 6 teachers...Who will it be today?!

### Maths

Maths lesson - solving line graph problems line on our you tube channel

### Break

Break time! Go and stretch your legs!

### English

Use fronted adverbials to write your diary opening

English Lesson 3 - Introduction and warm up activity on YouTube with Mrs Humphrey. Then link to the following lessons:

[To explore fronted adverbials \(thenational.academy\)](https://www.thenational.academy/lessons/to-explore-fronted-adverbials-17mins) (17 mins)

[To write the opening of a diary entry \(thenational.academy\)](https://www.thenational.academy/lessons/to-write-the-opening-of-a-diary-entry-16mins) (16 mins)

### Lunch

Lunch - Fuel your brains!

### Guided reading

Read your set Bug Club book for 30 minutes and complete any comprehensions questions (by clicking on the bug icons). Your teacher will be able to see how you are getting on.

If you cannot access Bug Club you must complete the paper based comprehension provided.

## Afternoon lesson

### Geography - North America Profile

Using the sheet provided on the website as guide for your research, see if you can find out everything it asks you to! You can use Oddizzi, or try this link for some useful information:

[Geography for Kids: North American - flags, maps, industries, culture of North America \(ducksters.com\)](https://www.ducksters.com/north-america/)

Remember, if you are using Google or another search engine for research, we would advise that you write 'for kids' after whatever it is you might be searching for as the content is usually much more user-friendly and not too over-whelming!

For example: 'North America for kids'

### Optional extension

If you wish to go to town on this and choose a country, animal or anything about North America to focus in on and produce your own project you are more than welcome! You can work on it over the term and present it however you like!

## Storytime

Story time - this can be accessed on YouTube.

Well done! You have completed another day of home learning! ☺
