

Week 4 - Art

Year 1, we are missing seeing your faces so much that we would love you to draw a picture of your face. As we have talked about in school, everybody is different, but the same in lots of ways. Remember 'odd sock day' when we have talked about this. Your face, like mine, is different to the one below but it will help you work out how to do it step-by-step.

How to Draw a Self-Portrait

It will help to look in a mirror or at a photo of yourself. Keep looking at it and try to draw what you see rather than what you 'think' you look like. If you want to colour it in then you can but try to use pencil rather than felt tips.

We cannot wait to see your faces. You could show us your drawings in our next zoom call.

Good luck artists.
