## Rocksteady concert!

-

Dear parent/carer,

As you will probably know from the Rocksteady parent portal, a Rocksteady concert showcasing the talents of your child/children with their bands has been arranged for **Tuesday 26th March**. The concert starts at **9am** and will be taking place in the school's KS1 hall. The running time for the concert is approximately 30 minutes and all the bands will be performing. It would be so lovely if you were able to attend. There is no need to confirm your attendance but **please arrive 10 minutes before** the concert via the **KS1 hall side door** so we can get everyone seated before the start time. The children will be involved in the setting up of the concert, so please make sure they are in school promptly at 8:30am on this date.

The children look forward to welcoming you and showing what they have learnt so far!

Kind regards,

Georgina Fenna

Music co-ordinator
