Dear Parents/Carers,

Our topic for Term 2 is 'How do people live around the world?' We will begin by learning about Britain and then start to learn about other cultures and countries from around the world. We would really like parents to get involved.

We would like to invite parents in to share something about their culture. This could be bringing in some traditional food, clothing or artefacts so that children could have real life experiences. It may be, you would like to do some cooking with small groups of children, share photos of special celebrations or introduce children to some different words in your home language.

If you're interested in coming into school, please return the slip below back to the class teacher and we will discuss the best date for you to come in which is convenient for you and to plan how you would like the session to run, so that you feel fully comfortable. You will always be supported with your activity by a member of staff.

I know the children will get so much from these types of experience so thank you in advance for any participation you can offer.

On **Monday 10th November**, we have planned a 'Hook Day' to bring the new topic to life. All children are invited to dress up in their cultural or celebration clothes. On this day there will be opportunities for children to talk about their special outfit, as well as, many activities to introduce our new topic.

Thank you for your ongoing support,

Mrs Keeping/ Miss Moxham
