

In term 4, we will be performing A Mid Summer's Night Dream by Shakespeare. Over the half term, if you have expressed an interest in having a main part, we would like you to practice the lines for either Demetrius or Helena and when we return to school, we will hold auditions. You must be able to perform your part without the script during the audition.

You will be able to express an interest for a particular role however, we will choose parts that are best fits.

Our production date will on **Thursday 12th March**. More details to follow.

Good luck!
