Dear Parents / Carers,

Your child has been selected to represent our schools at The Blue Kite Games on **Monday 8th June 2026, 4:00 – 5.30pm.**

This is an elite event held at the County Ground Athletics Track, Foundation Park Swindon. Competition rules only allow for children to enter one event, unless they are also chosen to run in our mixed relay team. More information about the event will be sent out closer to the time.

We cannot currently confirm what event your child will be taking part in yet, however we would like to invite them along to our Blue Kite Games Training, where we will go through all the events before making our final selections. The training is due to start **next term on Friday's 1:00-2:00pm** leading up to this event. Your child must be committed to attending the training sessions after school in order to participate in the Blue Kite Games.

If you would like your child to take part, please give your consent on Parent Pay by 27th March 2026. By giving consent, you are confirming that your child will attend these training sessions and the Blue Kite Games. Thank you.

Your sincerely,

Mrs O'Brien
(PE Coordinator)
