Dear Parents/Carers and Children,

We are pleased to invite your child to take part in a special SATs Booster Club, designed to support them in the lead-up to their SATs and help them feel confident, prepared and ready to shine. The sessions will take place every Wednesday after school until 4:45pm, starting on Wednesday 15th April, and will run for four weeks.

During these sessions, children will work in a small, supportive group with a member of staff, focusing on reading, maths, or both, depending on their individual needs. The aim is to build confidence, strengthen key skills and give children the opportunity to practise in a calm and encouraging environment.

We know that learning after a full school day can be challenging, so a snack will be provided each week to help keep energy levels up and ensure children are ready to learn.

This is a fantastic opportunity for your child to:

-  Boost their confidence ahead of SATs
-  Receive targeted support tailored to their needs
-  Practise key skills in a supportive setting
-  Feel positive and prepared for the weeks ahead

We would strongly encourage attendance at all four sessions to gain the full benefit of the programme. If you would like your child to attend, please complete and return the slip below. We are really looking forward to working with the children and supporting them to achieve their very best.

Kind regards

Miss Liz Horrobin
